FILING INSTRUCTIONS:

If you were mailed the form by the Commission on Ethics or a County Supervisor of Elections for your annual disclosure filing, return the form to that location. To determine what category your position falls under, see page 3 of instructions.

Local officers/employees file with the Supervisor of Elections of the county in which they permanently reside. (If you do not permanently reside in Florida, file with the Supervisor of the county where your agency has its headquarters.) Form 1 filers who file with the Supervisor of Elections may file by mail or email. Contact your Supervisor of Elections for the mailing address or email address to use. Do not email your form to the Commission on Ethics, it will be returned.

State officers or specified state employees who file with the Commission on Ethics may file by mail or email. To file by mail, send the completed form to P.O. Drawer 15709, Tallahassee, FL 32317-5709; physical address: 325 John Knox Rd, Bldg E, Ste 200, Tallahassee, FL 32303. To file with the Commission by email, scan your completed form and any attachments as a pdf (do not use any other format), send it to CEForm1@leg.state.fl.us and retain a copy for your records. Do not file by both mail and email. Choose only one filing method. Form 6s will not be accepted via email.

WHEN TO FILE: Initially, each local officer/employee, state officer, and specified state employee must file within 30 days of the date of his or her appointment or of the beginning of employment. Appointees who must be confirmed by the Senate must file prior to confirmation, even if that is less than 30 days from the date of their appointment.

Candidates must file at the same time they file their qualifying

Thereafter, file by July 1 following each calendar year in which they hold their positions.

Finally, file a final disclosure form (Form 1F) within 60 days of leaving office or employment. Filing a CE Form 1F (Final Statement of Financial Interests) does not relieve the filer of filing a CE Form 1 if the filer was in his or her position on December 31, 2022.

INSTRUCTIONS FOR COMPLETING FORM 1:

INTRODUCTORY INFORMATION (Top of Form): If your name, mailing address, public agency, and position are already printed on the form, you do not need to provide this information unless it should be changed. To change any of this information, write the correct information on the form, <u>and contact your agency's financial disclosure coordinator</u>. You can find your coordinator on the Commission on Ethics website: www.ethics. state.fl.us.

NAME OF AGENCY: The name of the governmental unit which you serve or served, by which you are or were employed, or for which you are a candidate.

DISCLOSURE PERIOD: The "disclosure period" for your report is the calendar year ending December 31, 2022.

OFFICE OR POSITION HELD OR SOUGHT: The title of the office or position you hold, are seeking, or held during the disclosure period <u>even if you have since left that position</u>. If you are a candidate for office or are a new employee or appointee, check the appropriate box.

PUBLIC RECORD: The disclosure form and everything attached to it is a public record. Your social security number, bank account, debit, charge, and credit card numbers are not required and you should redact them from any documents you file. If you are an active or former officer or employee listed in Section 119.071, F.S., whose home address is exempt from disclosure, the Commission will maintain that confidentiality if you submit a written and notarized request.

MANNER OF CALCULATING REPORTABLE INTEREST

Filers have the option of reporting based on <u>either</u> thresholds that are comparative (usually, based on percentage values) <u>or</u> thresholds that are based on absolute dollar values. The instructions on the following pages specifically describe the different thresholds. Check the box that reflects the choice you have made. <u>You must use the type of threshold you have chosen for each part of the form.</u> In other words, if you choose to report based on absolute dollar value thresholds, you cannot use a percentage threshold on any part of the form.

IF YOU HAVE CHOSEN DOLLAR VALUE THRESHOLDS THE FOLLOWING INSTRUCTIONS APPLY

PART A — PRIMARY SOURCES OF INCOME

[Required by s. 112.3145(3)(b)1, F.S.]

Part A is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose any public salary or public position(s). The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded \$2,500 of gross income received by you in your own name or by any other person for your use or benefit.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony if considered gross income under federal law, but not child support.

Examples:

- If you were employed by a company that manufactures computers and received more than \$2,500, list the name of the company, its address, and its principal business activity (computer manufacturing).
- If you were a partner in a law firm and your distributive share of partnership gross income exceeded \$2,500, list the name of the firm, its address, and its principal business activity (practice of law)
- If you were the sole proprietor of a retail gift business and your gross income from the business exceeded \$2,500, list the name of the business, its address, and its principal business activity (retail gift sales).
- If you received income from investments in stocks and bonds, list <u>each individual company</u> from which you derived more than \$2,500. Do not aggregate all of your investment income.
- If more than \$2,500 of your gross income was gain from the sale of property (not just the selling price), list as a source of income the purchaser's name, address and principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.
- If more than \$2,500 of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

PART B — SECONDARY SOURCES OF INCOME

[Required by s. 112.3145(3)(b)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported in Part A "Primary Sources of Income," if it meets the reporting threshold. You will not have anything to report unless, during the disclosure period:

(1) You owned (either directly or indirectly in the form of an equitable

- or beneficial interest) more than 5% of the total assets or capital stock of a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); *and*,
- (2) You received more than \$5,000 of your gross income during the disclosure period from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

Examples:

- You are the sole proprietor of a dry cleaning business, from which you received more than \$5,000. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).
- You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the above thresholds. List each tenant of the mall that provided more than 10% of the partnership's gross income and the tenant's address and principal business activity.

PART C — REAL PROPERTY

[Required by s. 112.3145(3)(b)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the disclosure period in excess of 5% of the property's value. You are not required to list your residences. You should list any vacation homes if you derive income from them.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you own more than 5% of a partnership or corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more accurate fair market value.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

PART D — INTANGIBLE PERSONAL PROPERTY

[Required by s. 112.3145(3)(b)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than \$10,000 and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you (including, but not limited to, loans made as a candidate to your own campaign), Deferred Retirement Option Program (DROP) accounts, the Florida Prepaid College Plan, and bank accounts in which you have an ownership interest. Intangible personal property also includes investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product contained in a brokerage account, IRA, or the Florida College Investment Plan is your asset—not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CDs and savings accounts with the same bank. Property owned as tenants by the entirety or as joint tenants with right of survivorship, including bank accounts owned in such a manner, should be valued at 100%. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number found on the lease document).

PART E — LIABILITIES

[Required by s. 112.3145(3)(b)4, F.S.]

List the name and address of each creditor to whom you owed more than \$10,000 at any time during the disclosure period. The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. You are not required to list the amount of any debt. You do not have to disclose credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and are jointly liable or jointly and severally liable, then it is not a contingent liability.

PART F — INTERESTS IN SPECIFIED BUSINESSES

[Required by s. 112.3145(7), F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

Disclose in this part the fact that you owned during the disclosure

period an interest in, or held any of certain positions with the types of businesses listed above. You must make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

If you have or held such a position or ownership interest in one of these types of businesses, list the name of the business, its address and principal business activity, and the position held with the business (if any). If you own(ed) more than a 5% interest in the business, indicate that fact and describe the nature of your interest.

PART G — TRAINING CERTIFICATION

[Required by s. 112.3142, F.S.]

If you are a Constitutional or elected municipal officer, appointed school superintendent, or a commissioner of a community redevelopment agency created under Part III, Chapter 163 whose service began before March 31 of the year for which you are filing, you are required to complete four hours of ethics training which addresses Article II, Section 8 of the Florida Constitution, the Code of Ethics for Public Officers and Employees, and the public records and open meetings laws of the state. You are required to certify on this form that you have taken such training.

IF YOU HAVE CHOSEN COMPARATIVE (PERCENTAGE) THRESHOLDS THE FOLLOWING INSTRUCTIONS APPLY

PART A — PRIMARY SOURCES OF INCOME

[Required by s. 112.3145(3)(a)1, F.S.]

Part A is intended to require the disclosure of your principal sources of income during the disclosure period. You do not have to disclose any public salary or public position(s), but income from these public sources should be included when calculating your gross income for the disclosure period. The income of your spouse need not be disclosed; however, if there is joint income to you and your spouse from property you own jointly (such as interest or dividends from a bank account or stocks), you should include all of that income when calculating your gross income and disclose the source of that income if it exceeded the threshold.

Please list in this part of the form the name, address, and principal business activity of each source of your income which exceeded 5% of the gross income received by you in your own name or by any other person for your benefit or use during the disclosure period.

"Gross income" means the same as it does for income tax purposes, even if the income is not actually taxable, such as interest on tax-free bonds. Examples include: compensation for services, income from business, gains from property dealings, interest, rents, dividends, pensions, IRA distributions, social security, distributive share of partnership gross income, and alimony if considered gross income under federal law, but not child support.

Examples:

- If you were employed by a company that manufactures computers and received more than 5% of your gross income from the company, list the name of the company, its address, and its principal business activity (computer manufacturing).
- If you were a partner in a law firm and your distributive share of partnership gross income exceeded 5% of your gross income, then list the name of the firm, its address, and its principal business activity (practice of law).
- If you were the sole proprietor of a retail gift business and your gross income from the business exceeded 5% of your total gross income, list the name of the business, its address, and its principal business activity (retail gift sales).
- If you received income from investments in stocks and

bonds, list <u>each individual company</u> from which you derived more than 5% of your gross income. Do not aggregate all of your investment income.

- If more than 5% of your gross income was gain from the sale of property (not just the selling price), list as a source of income the purchaser's name, address, and principal business activity. If the purchaser's identity is unknown, such as where securities listed on an exchange are sold through a brokerage firm, the source of income should be listed as "sale of (name of company) stock," for example.
- If more than 5% of your gross income was in the form of interest from one particular financial institution (aggregating interest from all CD's, accounts, etc., at that institution), list the name of the institution, its address, and its principal business activity.

PART B — SECONDARY SOURCES OF INCOME

[Required by s. 112.3145(3)(a)2, F.S.]

This part is intended to require the disclosure of major customers, clients, and other sources of income to businesses in which you own an interest. It is not for reporting income from second jobs. That kind of income should be reported in Part A, "Primary Sources of Income," if it meets the reporting threshold. You will **not** have anything to report **unless** during the disclosure period:

- (1) You owned (either directly or indirectly in the form of an equitable or beneficial interest) more than 5% of the total assets or capital stock of a business entity (a corporation, partnership, LLC, limited partnership, proprietorship, joint venture, trust, firm, etc., doing business in Florida); *and*,
- (2) You received more than 10% of your gross income from that business entity; *and*,
- (3) You received more than \$1,500 in gross income from that business entity.

If your interests and gross income exceeded these thresholds, then for that business entity you must list every source of income to the business entity which exceeded 10% of the business entity's gross income (computed on the basis of the business entity's most recently completed fiscal year), the source's address, and the source's principal business activity.

Examples:

- You are the sole proprietor of a dry cleaning business, from which you received more than 10% of your gross income—an amount that was more than \$1,500. If only one customer, a uniform rental company, provided more than 10% of your dry cleaning business, you must list the name of the uniform rental company, its address, and its principal business activity (uniform rentals).
- You are a 20% partner in a partnership that owns a shopping mall and your partnership income exceeded the thresholds listed above. You should list each tenant of the mall that provided more than 10% of the partnership's gross income, and the tenant's address and principal business activity.

PART C — REAL PROPERTY

[Required by s. 112.3145(3)(a)3, F.S.]

In this part, list the location or description of all real property in Florida in which you owned directly or indirectly at any time during the disclosure period in excess of 5% of the property's value. You are not required to list your residences. You should list any vacation homes, if you derive income from them.

Indirect ownership includes situations where you are a beneficiary of a trust that owns the property, as well as situations where you own more than 5% of a partnership or corporation that owns the property. The value of the property may be determined by the most recently assessed value for tax purposes, in the absence of a more accurate fair market value.

The location or description of the property should be sufficient to enable anyone who looks at the form to identify the property. A street address should be used, if one exists.

PART D — INTANGIBLE PERSONAL PROPERTY

[Required by s. 112.3145(3)(a)3, F.S.]

Describe any intangible personal property that, at any time during the disclosure period, was worth more than 10% of your total assets, and state the business entity to which the property related. Intangible personal property includes things such as cash on hand, stocks, bonds, certificates of deposit, vehicle leases, interests in businesses, beneficial interests in trusts, money owed you (including, but not limited to, loans made as a candidate to your own campaign), Deferred Retirement Option Program (DROP) accounts, the Florida Prepaid College Plan, and bank accounts in which you have an ownership interest. Intangible personal property also includes investment products held in IRAs, brokerage accounts, and the Florida College Investment Plan. Note that the product contained in a brokerage account, IRA, or the Florida College Investment Plan is your asset—not the account or plan itself. Things like automobiles and houses you own, jewelry, and paintings are not intangible property. Intangibles relating to the same business entity may be aggregated; for example, CD's and savings accounts with the same bank.

Calculations: To determine whether the intangible property exceeds 10% of your total assets, total the fair market value of all of your assets (including real property, intangible property, and tangible personal property such as jewelry, furniture, etc.). When making this calculation, do not subtract any liabilities (debts) that may relate to the property. Multiply the total figure by 10% to arrive at the disclosure threshold. List only the intangibles that exceed this threshold amount. The value of a leased vehicle is the vehicle's present value minus the lease residual (a number which can be found on the lease document). Property that is only jointly owned property should be valued according to the percentage of your joint ownership. Property owned as tenants by the entirety or as joint tenants with right of survivorship, including bank accounts owned in such a manner, should be valued at 100%. None of your calculations or the value of the property have to be disclosed on the form.

Example: You own 50% of the stock of a small corporation that is worth \$100,000, the estimated fair market value of your home and other property (bank accounts, automobile, furniture, etc.) is \$200,000. As your total assets are worth \$250,000, you must disclose intangibles worth over \$25,000. Since the value of the stock exceeds this threshold, you should list "stock" and the name of the corporation. If your accounts with a particular bank exceed \$25,000, you should list "bank accounts" and bank's name.

PART E — LIABILITIES

[Required by s. 112.3145(3)(b)4, F.S.]

List the name and address of each creditor to whom you owed any amount that, at any time during the disclosure period, exceeded your net worth. You are not required to list the amount of any debt or your net worth. You do not have to disclose: credit card and retail installment accounts, taxes owed (unless reduced to a judgment), indebtedness on a life insurance policy owed to the company of issuance, or contingent liabilities. A "contingent liability" is one that will become an actual liability only when one or more future events occur or fail to occur, such as where you are liable only as a guarantor, surety, or endorser on a promissory note. If you are a "co-maker" and are jointly liable or jointly and severally liable, it is not a contingent liability.

Calculations: To determine whether the debt exceeds your net worth, total all of your liabilities (including promissory notes, mortgages, credit card debts, judgments against you, etc.). The amount of the liability of a vehicle lease is the sum of any past-due payments and all unpaid prospective lease payments. Subtract the sum total of your liabilities from the value of all your assets as calculated above for Part D. This is your "net worth." List each creditor to whom your debt exceeded this amount unless it is one of the types of indebtedness listed in the paragraph above (credit card and retail installment accounts, etc.). Joint liabilities with others for which you are "jointly and severally liable," meaning that you may be liable for either your part or the whole of the obligation, should be included in your calculations at 100% of the amount owed.

Example: You owe \$15,000 to a bank for student loans, \$5,000 for credit card debts, and \$60,000 (with spouse) to a savings and loan for a home mortgage. Your home (owned by you and your spouse) is worth \$80,000 and your other property is worth \$20,000. Since your net worth is \$20,000 (\$100,000 minus \$80,000), you must report only the name and address of the savings and loan.

PART F — INTERESTS IN SPECIFIED BUSINESSES

[Required by s. 112.3145(7), F.S.]

The types of businesses covered in this disclosure include: state and federally chartered banks; state and federal savings and loan associations; cemetery companies; insurance companies; mortgage companies; credit unions; small loan companies; alcoholic beverage licensees; pari-mutuel wagering companies, utility companies, entities controlled by the Public Service Commission; and entities granted a franchise to operate by either a city or a county government.

Disclose in this part the fact that you owned during the disclosure period an interest in, or held any of certain positions with, the types of businesses listed above. You are required to make this disclosure if you own or owned (either directly or indirectly in the form of an equitable or beneficial interest) at any time during the disclosure period more than 5% of the total assets or capital stock of one of the types of business entities listed above. You also must complete this part of the form for each of these types of businesses for which you are, or were at any time during the disclosure period, an officer, director, partner, proprietor, or agent (other than a resident agent solely for service of process).

If you have or held such a position or ownership interest in one of these types of businesses, list the name of the business, its address and principal business activity, and the position held with the business (if any). If you own(ed) more than a 5% interest in the business, indicate that fact and describe the nature of your interest.

PART G — TRAINING CERTIFICATION

[Required by s. 112.3142, F.S.]

If you are a Constitutional or elected municipal officer, appointed school superintendent, or a commissioner of a community redevelopment agency created under Part III, Chapter 163 whose service began before March 31 of the year for which you are filing, you are required to complete four hours of ethics training which addresses Article II, Section 8 of the Florida Constitution, the Code of Ethics for Public Officers and Employees, and the public records and open meetings laws of the state. You are required to certify on this form that you have taken such training.

I. HISTORY OF FLORIDA'S ETHICS LAWS

Florida has been a leader among the states in establishing ethics standards for public officials and recognizing the right of citizens to protect the public trust against abuse. Our state Constitution was revised in 1968 to require a code of ethics, prescribed by law, for all state employees and non-judicial officers prohibiting conflict between public duty and private interests.

Florida's first successful constitutional initiative resulted in the adoption of the Sunshine Amendment in 1976, providing additional constitutional guarantees concerning ethics in government. In the area of enforcement, the Sunshine Amendment requires that there be an independent commission (the Commission on Ethics) to investigate complaints concerning breaches of public trust by public officers and employees other than judges.

The Code of Ethics for Public Officers and Employees is found in Chapter 112 (Part III) of the Florida Statutes. Foremost among the goals of the Code is to promote the public interest and maintain the respect of the people for their government. The Code is also intended to ensure that public officials conduct themselves independently and impartially, not using their offices for private gain other than compensation provided by law. While seeking to protect the integrity of government, the Code also seeks to avoid the creation of unnecessary barriers to public service.

Criminal penalties, which initially applied to violations of the Code, were eliminated in 1974 in favor of administrative enforcement. The Legislature created the Commission on Ethics that year "to serve as guardian of the standards of conduct" for public officials, state and local. Five of the Commission's nine members are appointed by the Governor, and two each are appointed by the President of the Senate and Speaker of the House of Representatives. No more than five Commission members may be members of the same political party, and none may be lobbyists, or hold any public employment during their two-year terms of office. A chair is selected from among the members to serve a one-year term and may not succeed himself or herself.

In 2018, Florida's Constitutional Revision Commission proposed, and the voters adopted, changes to Article II, Section 8. The earliest of the changes will take effect December 31, 2020, and will prohibit officials from abusing their position to obtain a disproportionate benefit for themselves

or their spouse, child, or employer, or for a business with which the official contracts or is an officer, partner, director, sole proprietor, or in which the official owns an interest. Other changes made to the Constitution place restrictions on lobbying by certain officeholders and employees, and put additional limits on lobbying by former public officers and employees. These changes will become effective December 31, 2022.

II. ROLE OF THE COMMISSION ON ETHICS

In addition to its constitutional duties regarding the investigation of complaints, the Commission:

- Renders advisory opinions to public officials;
- Prescribes forms for public disclosure;
- Prepares mailing lists of public officials subject to financial disclosure for use by Supervisors of Elections and the Commission in distributing forms and notifying delinquent filers;
- Makes recommendations to disciplinary officials when appropriate for violations of ethics and disclosure laws, since it does not impose penalties;
- Administers the Executive Branch Lobbyist Registration and Reporting Law;
- Maintains financial disclosure filings of constitutional officers and state officers and employees; and,
- Administers automatic fines for public officers and employees who fail to timely file required annual financial disclosure.

III. THE ETHICS LAWS

The ethics laws generally consist of two types of provisions, those prohibiting certain actions or conduct and those requiring that certain disclosures be made to the public. The following descriptions of these laws have been simplified in an effort to provide notice of their requirements. Therefore, we suggest that you also review the wording of the actual law. Citations to the appropriate laws are in brackets.

The laws summarized below apply generally to all public officers and employees, state and local, including members of advisory bodies. The principal exception to this broad coverage is the exclusion of judges, as they fall within the jurisdiction of the Judicial Qualifications Commission.

Public Service Commission (PSC) members and employees, as well as members of the PSC Nominating Council, are subject to additional ethics standards that are enforced by the Commission on Ethics under Chapter 350, Florida Statutes. Further, members of the governing boards of charter schools are subject to some of the provisions of the Code of Ethics [Sec. 1002.33(26), Fla. Stat.], as are the officers, directors, chief executive officers and some employees of business entities that serve as the chief administrative or executive officer or employee of a political subdivision. [Sec. 112.3136, Fla. Stat.].

A. PROHIBITED ACTIONS OR CONDUCT

1. Solicitation and Acceptance of Gifts

Public officers, employees, local government attorneys, and candidates are prohibited from soliciting or accepting anything of value, such as a gift, loan, reward, promise of future employment, favor, or service, that is based on an understanding that their vote, official action, or judgment would be influenced by such gift. [Sec. 112.313(2), Fla. Stat.]

Persons required to file financial disclosure FORM 1 or FORM 6 (see Part III F of this brochure), and state procurement employees, are prohibited from **soliciting** any gift from a political committee, lobbyist who has lobbied the official or his or her agency within the past 12 months, or the partner, firm, employer, or principal of such a lobbyist or from a vendor doing business with the official's agency. [Sec. 112.3148, Fla. Stat.]

Persons required to file FORM 1 or FORM 6, and state procurement employees are prohibited from directly or indirectly **accepting** a gift worth more than \$100 from such a lobbyist, from a partner, firm, employer, or principal of the lobbyist, or from a political committee or vendor doing business with their agency. [Sec.112.3148, Fla. Stat.]

However, notwithstanding Sec. 112.3148, Fla. Stat., no Executive Branch lobbyist or principal shall make, directly or indirectly, and no Executive Branch agency official who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, any expenditure made for the purpose of lobbying. [Sec. 112.3215, Fla. Stat.] Typically, this would include gifts valued at less than \$100 that formerly were permitted under Section 112.3148, Fla. Stat. Similar rules apply to members and employees of the Legislature. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.]

Also, persons required to file Form 1 or Form 6, and state procurement employees and members of their immediate families, are prohibited from accepting any gift from a political committee. [Sec. 112.31485, Fla. Stat.]

2. Unauthorized Compensation

Public officers or employees, local government attorneys, and their spouses and minor children are prohibited from accepting any compensation, payment, or thing of value when they know, or with the exercise of reasonable care should know, that it is given to influence a vote or other official action. [Sec. 112.313(4), Fla. Stat.]

3. Misuse of Public Position

Public officers and employees, and local government attorneys are prohibited from corruptly using or attempting to use their official positions or the resources thereof to obtain a special privilege or benefit for themselves or others. [Sec. 112.313(6), Fla. Stat.]

4. Abuse of Public Position

Public officers and employees are prohibited from abusing their public positions in order to obtain a disproportionate benefit for themselves or certain others. [Article II, Section 8(h), Florida Constitution.]

5. Disclosure or Use of Certain Information

Public officers and employees and local government attorneys are prohibited from disclosing or using information not available to the public and obtained by reason of their public position, for the personal benefit of themselves or others. [Sec. 112.313(8), Fla. Stat.]

6. Solicitation or Acceptance of Honoraria

Persons required to file financial disclosure FORM 1 or FORM 6 (see Part III F of this brochure), and state procurement employees, are prohibited from **soliciting** honoraria related to their public offices or duties. [Sec. 112.3149, Fla. Stat.]

Persons required to file FORM 1 or FORM 6, and state procurement employees, are prohibited from knowingly **accepting** an honorarium from a political committee, lobbyist who has lobbied the person's agency within the past 12 months, or the partner, firm, employer, or principal of such a lobbyist, or from a vendor doing business with the official's agency. However, they may accept the payment of expenses related to an honorarium event from such individuals or entities, provided that the expenses are disclosed. See Part III F of this brochure. [Sec. 112.3149, Fla. Stat.]

Lobbyists and their partners, firms, employers, and principals, as well as political committees and vendors, are prohibited from **giving** an honorarium to persons required to file FORM 1 or FORM 6 and to state procurement employees. Violations of this law may result in fines of up to \$5,000 and prohibitions against lobbying for up to two years. [Sec. 112.3149, Fla. Stat.]

However, notwithstanding Sec. 112.3149, Fla. Stat., no Executive Branch or legislative lobbyist or principal shall make, directly or indirectly, and no Executive Branch agency official who files FORM 1 or FORM 6 shall knowingly accept, directly or indirectly, any expenditure made for the purpose of lobbying. [Sec. 112.3215, Fla. Stat.] This may include honorarium event related expenses that formerly were permitted under Sec. 112.3149, Fla. Stat. Similar rules apply to members and employees of the Legislature. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.]

B. PROHIBITED EMPLOYMENT AND BUSINESS RELATIONSHIPS

1. Doing Business With One's Agency

- (a) A public employee acting as a purchasing agent, or public officer acting in an official capacity, is prohibited from purchasing, renting, or leasing any realty, goods, or services for his or her agency from a business entity in which the officer or employee or his or her spouse or child owns more than a 5% interest. [Sec. 112.313(3), Fla. Stat.]
- (b) A public officer or employee, acting in a private capacity, also is prohibited from renting, leasing, or selling any realty, goods, or services to his or her own agency if the officer or employee is a state officer or employee, or, if he or she is an officer or employee of a political subdivision, to that subdivision or any of its agencies. [Sec. 112.313(3), Fla. Stat.]

2. Conflicting Employment or Contractual Relationship

- (a) A public officer or employee is prohibited from holding any employment or contract with any business entity or agency regulated by or doing business with his or her public agency. [Sec. 112.313(7), Fla. Stat.]
- (b) A public officer or employee also is prohibited from holding any employment or having a contractual relationship which will pose a frequently recurring conflict between the official's private interests and public duties or which will impede the full and faithful discharge of the official's public duties. [Sec. 112.313(7), Fla. Stat.]
- (c) Limited exceptions to this prohibition have been created in the law for legislative bodies, certain special tax districts, drainage districts, and persons whose professions or occupations qualify them to hold their public positions. [Sec. 112.313(7)(a) and (b), Fla. Stat.]
- 3. Exemptions—Pursuant to Sec. 112.313(12), Fla. Stat., the prohibitions against doing business with one's agency and having conflicting employment may not apply:

- (a) When the business is rotated among all qualified suppliers in a city or county.
- (b) When the business is awarded by sealed, competitive bidding and neither the official nor his or her spouse or child have attempted to persuade agency personnel to enter the contract. NOTE: Disclosure of the interest of the official, spouse, or child and the nature of the business must be filed prior to or at the time of submission of the bid on Commission FORM 3A with the Commission on Ethics or Supervisor of Elections, depending on whether the official serves at the state or local level.
- (c) When the purchase or sale is for legal advertising, utilities service, or for passage on a common carrier.
- (d) When an emergency purchase must be made to protect the public health, safety, or welfare.
- (e) When the business entity is the only source of supply within the political subdivision and there is full disclosure of the official's interest to the governing body on Commission FORM 4A.
 - (f) When the aggregate of any such transactions does not exceed \$500 in a calendar year.
- (g) When the business transacted is the deposit of agency funds in a bank of which a county, city, or district official is an officer, director, or stockholder, so long as agency records show that the governing body has determined that the member did not favor his or her bank over other qualified banks.
- (h) When the prohibitions are waived in the case of ADVISORY BOARD MEMBERS by the appointing person or by a two-thirds vote of the appointing body (after disclosure on Commission FORM 4A).
- (i) When the public officer or employee purchases in a private capacity goods or services, at a price and upon terms available to similarly situated members of the general public, from a business entity which is doing business with his or her agency.

(j) When the public officer or employee in a private capacity purchases goods or services from a business entity which is subject to the regulation of his or her agency where the price and terms of the transaction are available to similarly situated members of the general public and the officer or employee makes full disclosure of the relationship to the agency head or governing body prior to the transaction.

4. Additional Exemptions

No elected public officer is in violation of the conflicting employment prohibition when employed by a tax exempt organization contracting with his or her agency so long as the officer is not directly or indirectly compensated as a result of the contract, does not participate in any way in the decision to enter into the contract, abstains from voting on any matter involving the employer, and makes certain disclosures. [Sec. 112.313(15), Fla. Stat.]

5. Legislators Lobbying State Agencies

A member of the Legislature is prohibited from representing another person or entity for compensation during his or her term of office before any state agency other than judicial tribunals. [Art. II, Sec. 8(e), Fla. Const., and Sec. 112.313(9), Fla. Stat.]

6. Additional Lobbying Restrictions for Certain Public Officers and Employees

A statewide elected officer; a member of the legislature; a county commissioner; a county officer pursuant to Article VIII or county charter; a school board member; a superintendent of schools; an elected municipal officer; an elected special district officer in a special district with ad valorem taxing authority; or a person serving as a secretary, an executive director, or other agency head of a department of the executive branch of state government shall not lobby for compensation on issues of policy, appropriations, or procurement before the federal government, the legislature, any state government body or agency, or any political subdivision of this state, during his or her term of office. [Art. II Sec 8(f)(2), Fla. Const. and Sec. 112.3121, Fla. Stat.]

7. Employees Holding Office

A public employee is prohibited from being a member of the governing body which serves as his or her employer. [Sec. 112.313(10), Fla. Stat.]

8. Professional and Occupational Licensing Board Members

An officer, director, or administrator of a state, county, or regional professional or occupational organization or association, while holding such position, may not serve as a member of a state examining or licensing board for the profession or occupation. [Sec. 112.313(11), Fla. Stat.]

9. Contractual Services: Prohibited Employment

A state employee of the executive or judicial branch who participates in the decision-making process involving a purchase request, who influences the content of any specification or procurement standard, or who renders advice, investigation, or auditing, regarding his or her agency's contract for services, is prohibited from being employed with a person holding such a contract with his or her agency. [Sec. 112.3185(2), Fla. Stat.]

10. Local Government Attorneys

Local government attorneys, such as the city attorney or county attorney, and their law firms are prohibited from representing private individuals and entities before the unit of local government which they serve. A local government attorney cannot recommend or otherwise refer to his or her firm legal work involving the local government unit unless the attorney's contract authorizes or mandates the use of that firm. [Sec. 112.313(16), Fla. Stat.]

11. Dual Public Employment

Candidates and elected officers are prohibited from accepting public employment if they know or should know it is being offered for the purpose of influence. Further, public employment may not be accepted unless the position was already in existence or was created without the

anticipation of the official's interest, was publicly advertised, and the officer had to meet the same qualifications and go through the same hiring process as other applicants. For elected public officers already holding public employment, no promotion given for the purpose of influence may be accepted, nor may promotions that are inconsistent with those given other similarly situated employees. [Sec. 112.3125, Fla. Stat.]

C. RESTRICTIONS ON APPOINTING, EMPLOYING, AND CONTRACTING WITH RELATIVES

1. Anti-Nepotism Law

A public official is prohibited from seeking for a relative any appointment, employment, promotion, or advancement in the agency in which he or she is serving or over which the official exercises jurisdiction or control. No person may be appointed, employed, promoted, or advanced in or to a position in an agency if such action has been advocated by a related public official who is serving in or exercising jurisdiction or control over the agency; this includes relatives of members of collegial government bodies. NOTE: This prohibition does not apply to school districts (except as provided in Sec. 1012.23, Fla. Stat.), community colleges and state universities, or to appointments of boards, other than those with land-planning or zoning responsibilities, in municipalities of fewer than 35,000 residents. Also, the approval of budgets does not constitute "jurisdiction or control" for the purposes of this prohibition. This provision does not apply to volunteer emergency medical, firefighting, or police service providers. [Sec. 112.3135, Fla. Stat.]

2. Additional Restrictions

A state employee of the executive or judicial branch or the PSC is prohibited from directly or indirectly procuring contractual services for his or her agency from a business entity of which a relative is an officer, partner, director, or proprietor, or in which the employee, or his or her spouse, or children own more than a 5% interest. [Sec. 112.3185(6), Fla. Stat.]

D. POST OFFICE HOLDING AND EMPLOYMENT (REVOLVING DOOR) RESTRICTIONS

1. Lobbying by Former Legislators, Statewide Elected Officers, and Appointed State Officers

A member of the Legislature or a statewide elected or appointed state official is prohibited for two years following vacation of office from representing another person or entity for compensation before the government body or agency of which the individual was an officer or member. Former members of the Legislature are also prohibited for two years from lobbying the executive branch. [Art. II, Sec. 8(e), Fla. Const. and Sec. 112.313(9), Fla. Stat.]

2. Lobbying by Former State Employees

Certain employees of the executive and legislative branches of state government are prohibited from personally representing another person or entity for compensation before the agency with which they were employed for a period of two years after leaving their positions, unless employed by another agency of state government. [Sec. 112.313(9), Fla. Stat.] These employees include the following:

- (a) Executive and legislative branch employees serving in the Senior Management Service and Selected Exempt Service, as well as any person employed by the Department of the Lottery having authority over policy or procurement.
- (b) Persons serving in the following position classifications: the Auditor General; the director of the Office of Program Policy Analysis and Government Accountability (OPPAGA); the Sergeant at Arms and Secretary of the Senate; the Sergeant at Arms and Clerk of the House of Representatives; the executive director and deputy executive director of the Commission on Ethics; an executive director, staff director, or deputy staff director of each joint committee, standing committee, or select committee of the Legislature; an executive director, staff director, executive assistant, legislative analyst, or attorney serving in the Office of the President of the Senate, the Office of the Speaker of the House of Representatives, the Senate Majority Party Office, the Senate Minority Party Office, the House Majority Party Office; the Chancellor and Vice-Chancellors of the State University System; the general counsel to the Board of Regents; the

president, vice presidents, and deans of each state university; any person hired on a contractual basis and having the power normally conferred upon such persons, by whatever title; and any person having the power normally conferred upon the above positions.

This prohibition does not apply to a person who was employed by the Legislature or other agency prior to July 1, 1989; who was a defined employee of the State University System or the Public Service Commission who held such employment on December 31, 1994; or who reached normal retirement age and retired by July 1, 1991. It does apply to OPS employees.

PENALTIES: Persons found in violation of this section are subject to the penalties contained in the Code (see PENALTIES, Part V) as well as a civil penalty in an amount equal to the compensation which the person received for the prohibited conduct. [Sec. 112.313(9)(a)5, Fla. Stat.]

3. 6-Year Lobbying Ban

For a period of six years after vacation of public position occurring on or after December 31, 2022, a statewide elected officer or member of the legislature shall not lobby for compensation on issues of policy, appropriations, or procurement before the legislature or any state government body or agency. 4. Additional Restrictions on Former State Employees

A former executive or judicial branch employee or PSC employee is prohibited from having employment or a contractual relationship, at any time after retirement or termination of employment, with any business entity (other than a public agency) in connection with a contract in which the employee participated personally and substantially by recommendation or decision while a public employee. [Sec. 112.3185(3), Fla. Stat.]

A former executive or judicial branch employee or PSC employee who has retired or terminated employment is prohibited from having any employment or contractual relationship for two years with any business entity (other than a public agency) in connection with a contract for services which was within his or her responsibility while serving as a state employee. [Sec.112.3185(4), Fla. Stat.]

Unless waived by the agency head, a former executive or judicial branch employee or PSC employee may not be paid more for contractual services provided by him or her to the former agency during the first year after leaving the agency than his or her annual salary before leaving. [Sec. 112.3185(5), Fla. Stat.]

These prohibitions do not apply to PSC employees who were so employed on or before Dec. 31, 1994.

5. Lobbying by Former Local Government Officers and Employees

A person elected to county, municipal, school district, or special district office is prohibited from representing another person or entity for compensation before the government body or agency of which he or she was an officer for two years after leaving office. Appointed officers and employees of counties, municipalities, school districts, and special districts may be subject to a similar restriction by local ordinance or resolution. [Sec. 112.313(13) and (14), Fla. Stat.]

E. VOTING CONFLICTS OF INTEREST

State public officers are prohibited from voting in an official capacity on any measure which they know would inure to their own special private gain or loss. A state public officer who abstains, or who votes on a measure which the officer knows would inure to the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary or sibling of a corporate principal by which he or she is retained, of a relative, or of a business associate, must make every reasonable effort to file a memorandum of voting conflict with the recording secretary in advance of the vote. If that is not possible, it must be filed within 15 days after the vote occurs. The memorandum must disclose the nature of the officer's interest in the matter.

No county, municipal, or other local public officer shall vote in an official capacity upon any measure which would inure to his or her special private gain or loss, or which the officer knows would inure to the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary or sibling of a corporate principal by which he or she is retained, of a relative, or of a business associate. The officer must publicly announce the nature of his or her interest before the vote and must file a memorandum of voting conflict on Commission Form 8B with the meeting's recording officer within 15 days after the vote occurs disclosing the nature of his or her interest in the matter. However, members of community redevelopment agencies and district officers elected on a one-acre, one-vote basis are not required to abstain when voting in that capacity.

No appointed state or local officer shall participate in any matter which would inure to the officer's special private gain or loss, the special private gain or loss of any principal by whom he or she is retained, of the parent organization or subsidiary or sibling of a corporate principal by which he or she is retained, of a relative, or of a business associate, without first disclosing the nature of his or her interest in the matter. The memorandum of voting conflict (Commission Form 8A or 8B) must be filed with the meeting's recording officer, be provided to the other members of the agency, and be read publicly at the next meeting.

If the conflict is unknown or not disclosed prior to the meeting, the appointed official must orally disclose the conflict at the meeting when the conflict becomes known. Also, a written memorandum of voting conflict must be filed with the meeting's recording officer within 15 days of

the disclosure being made and must be provided to the other members of the agency, with the disclosure being read publicly at the next scheduled meeting. [Sec. 112.3143, Fla. Stat.]

F. DISCLOSURES

Conflicts of interest may occur when public officials are in a position to make decisions that affect their personal financial interests. This is why public officers and employees, as well as candidates who run for public office, are required to publicly disclose their financial interests. The disclosure process serves to remind officials of their obligation to put the public interest above personal considerations. It also helps citizens to monitor the considerations of those who spend their tax dollars and participate in public policy decisions or administration.

All public officials and candidates do not file the same degree of disclosure; nor do they all file at the same time or place. Thus, care must be taken to determine which disclosure forms a particular official or candidate is required to file.

FORM 9 NEED NOT BE FILED if no such gift was received during the calendar quarter.

Information to be disclosed includes a description of the gift and its value, the name and address of the donor, the date of the gift, and a copy of any receipt for the gift provided by the donor. [Sec. 112.3148, Fla. Stat.]

7. FORM 10 - <u>Annual Disclosure of Gifts from Government Agencies and Direct-Support</u> Organizations and Honorarium Event Related Expenses

State government entities, airport authorities, counties, municipalities, school boards, water management districts, and the South Florida Regional Transportation Authority, may give a gift worth more than \$100 to a person required to file FORM 1 or FORM 6, and to state procurement employees, if a public purpose can be shown for the gift. Also, a direct-support organization for a governmental entity may give such a gift to a person who is an officer or employee of that entity. These gifts are to be reported on FORM 10, to be filed by July 1.

The governmental entity or direct-support organization giving the gift must provide the officer or employee with a statement about the gift no later than March 1 of the following year. The officer or employee then must disclose this information by filing a statement by July 1 with his or her annual financial disclosure that describes the gift and lists the donor, the date of the gift, and the value of the total gifts provided during the calendar year. State procurement employees file their statements with the Commission on Ethics. [Sec. 112.3148, Fla. Stat.]

In addition, a person required to file FORM 1 or FORM 6, or a state procurement employee, who receives expenses or payment of expenses related to an honorarium event from someone who

The disclosure must be filed by July 1, for expenses received during the previous calendar year, with the officer's or employee's FORM 1 or FORM 6. State procurement employees file their statements with the Commission on Ethics. [Sec. 112.3149, Fla. Stat.]

This may include gifts or honorarium event related expenses that formerly were permitted under Sections 112.3148 and 112.3149. [Sec. 112.3215, Fla. Stat.] Similar prohibitions apply to legislative officials and employees. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. If such person or entity makes a gift worth between \$25 and \$100 to a reporting individual or state procurement employee (that is not accepted in behalf of a governmental entity or charitable organization), the gift should be reported on FORM 30. The donor also must notify the recipient at the time the gift is made that it will be reported.

The FORM 30 should be filed by the last day of the calendar quarter following the calendar quarter in which the gift was made. If the gift was made to an individual in the legislative branch, FORM 30 should be filed with the Lobbyist Registrar. This may include gifts that formerly were permitted under Section 112.3148. [Sec. 112.3215, Fla. Stat.] Similar prohibitions apply to legislative officials and employees. However, these laws are not administered by the Commission on Ethics. [Sec. 11.045, Fla. Stat.] In addition, gifts from political committees are prohibited. [Sec. 112.31485, Fla. Stat.]

VI. ADVISORY OPINIONS

Conflicts of interest may be avoided by greater awareness of the ethics laws on the part of public officials and employees through advisory assistance from the Commission on Ethics.

A. Who Can Request an Opinion

Any public officer, candidate for public office, or public employee in Florida who is in doubt about the applicability of the standards of conduct or disclosure laws to himself or herself, or anyone who has the power to hire or terminate another public employee, may seek an advisory opinion from the Commission about himself or herself or that employee.

B. How to Request an Opinion

Opinions may be requested by letter presenting a question based on a real situation and including a detailed description of the situation. Opinions are issued by the Commission and are binding on the conduct of the person who is the subject of the opinion, unless material facts were omitted or misstated in the request for the opinion. Published opinions will not bear the name of the persons involved unless they consent to the use of their names; however, the request and all information pertaining to it is a public record, made available to the Commission and to members of the public in advance of the Commission's consideration of the question.

C. How to Obtain Published Opinions

All of the Commission's opinions are available for viewing or download at its website: www.ethics.state.fl.us.

VII. COMPLAINTS

A. Citizen Involvement

The Commission on Ethics cannot conduct investigations of alleged violations of the Sunshine Amendment or the Code of Ethics unless a person files a sworn complaint with the Commission alleging such violation has occurred, or a referral is received, as discussed below.

If you have knowledge that a person in government has violated the standards of conduct or disclosure laws described above, you may report these violations to the Commission by filing a sworn complaint on the form prescribed by the Commission and available for download at www.ethics.state.fl.us. The Commission is unable to take action based on learning of such misdeeds through newspaper reports, telephone calls, or letters.

You can download a complaint form (FORM 50) from the Commission's website: www.ethics.state.fl.us, or contact the Commission office at the address or phone number shown on the inside front cover of this booklet.

B. Referrals

The Commission may accept referrals from: the Governor, the Florida Department of Law Enforcement, a State Attorney, or a U.S. Attorney. A vote of six of the Commission's nine members is required to proceed on such a referral.

C. Confidentiality

The complaint or referral, as well as all proceedings and records relating thereto, is confidential until the accused requests that such records be made public or until the matter reaches a stage in the Commission's proceedings where it becomes public. This means that unless the Commission receives a written waiver of confidentiality from the accused, the Commission is not free to release any documents or to comment on a complaint or referral to members of the public or press, so long as the complaint or referral remains in a confidential stage.

A COMPLAINT OR REFERRAL MAY NOT BE FILED WITH RESPECT TO A CANDIDATE ON THE DAY
OF THE ELECTION, OR WITHIN THE 30 CALENDAR DAYS PRECEDING THE ELECTION DATE, UNLESS IT IS
BASED ON PERSONAL INFORMATION OR INFORMATION OTHER THAN HEARSAY.

D. How the Complaint Process Works

Complaints which allege a matter within the Commission's jurisdiction are assigned a tracking number and Commission staff forwards a copy of the original sworn complaint to the accused within five working days of its receipt. Any subsequent sworn amendments to the complaint also are transmitted within five working days of their receipt.

Once a complaint is filed, it goes through three procedural stages under the Commission's rules. The first stage is a determination of whether the allegations of the complaint are legally sufficient: that is, whether they indicate a possible violation of any law over which the Commission has jurisdiction. If the complaint is found not to be legally sufficient, the Commission will order that the complaint be dismissed without investigation, and all records relating to the complaint will become public at that time.

In cases of very minor financial disclosure violations, the official will be allowed an opportunity to correct or amend his or her disclosure form. Otherwise, if the complaint is found to be legally sufficient, a preliminary investigation will be undertaken by the investigative staff of the Commission. The second stage of the Commission's proceedings involves this preliminary investigation and a decision by the Commission as to whether there is probable cause to believe that there has been a violation of any of the ethics laws. If the Commission finds no probable cause to believe there has been a violation of the ethics laws, the complaint will be dismissed and will become a matter of public record. If the Commission finds probable cause to believe there has been a violation of the ethics laws, the complaint becomes public and usually enters the third stage of proceedings. This stage requires the Commission to decide whether the law was actually violated and, if so, whether a penalty should be recommended. At this stage, the accused has the right to request a public hearing (trial) at which evidence is presented, or the Commission may order that such a hearing be held. Public hearings usually are held in or near the area where the alleged violation occurred.

When the Commission concludes that a violation has been committed, it issues a public report of its findings and may recommend one or more penalties to the appropriate disciplinary body or official.

When the Commission determines that a person has filed a complaint with knowledge that the complaint contains one or more false allegations or with reckless disregard for whether the complaint contains false allegations, the complainant will be liable for costs plus reasonable attorney's fees incurred by the person complained against. The Department of Legal Affairs may bring a civil action to recover such fees and costs, if they are not paid voluntarily within 30 days.

E. Dismissal of Complaints At Any Stage of Disposition

The Commission may, at its discretion, dismiss any complaint at any stage of disposition should it determine that the public interest would not be served by proceeding further, in which case the Commission will issue a public report stating with particularity its reasons for the dismissal. [Sec. 112.324(12), Fla. Stat.]

F. Statute of Limitations

All sworn complaints alleging a violation of the Sunshine Amendment or the Code of Ethics must be filed with the Commission within five years of the alleged violation or other breach of the public trust. Time starts to run on the day AFTER the violation or breach of public trust is committed. The statute of limitations is tolled on the day a sworn complaint is filed with the Commission. If a complaint is filed and the statute of limitations has run, the complaint will be dismissed. [Sec. 112.3231, Fla. Stat.]

VIII. EXECUTIVE BRANCH LOBBYING

Any person who, for compensation and on behalf of another, lobbies an agency of the executive branch of state government with respect to a decision in the area of policy or procurement may be required to register as an executive branch lobbyist. Registration is required before lobbying an agency and is renewable annually. In addition, each lobbying firm must file a compensation report

with the Commission for each calendar quarter during any portion of which one or more of the firm's

lobbyists were registered to represent a principal. As noted above, no executive branch lobbyist or

principal can make, directly or indirectly, and no executive branch agency official or employee who

files FORM 1 or FORM 6 can knowingly accept, directly or indirectly, any expenditure made for the

purpose of lobbying. [Sec. 112.3215, Fla. Stat.]

Paying an executive branch lobbyist a contingency fee based upon the outcome of any specific

executive branch action, and receiving such a fee, is prohibited. A violation of this prohibition is a first

degree misdemeanor, and the amount received is subject to forfeiture. This does not prohibit sales

people from receiving a commission. [Sec. 112.3217, Fla. Stat.]

Executive branch departments, state universities, community colleges, and water

management districts are prohibited from using public funds to retain an executive branch (or

legislative branch) lobbyist, although these agencies may use full-time employees as lobbyists. [Sec.

11.062, Fla. Stat.]

IX. WHISTLE-BLOWER'S ACT

In 1986, the Legislature enacted a "Whistle-blower's Act" to protect employees of agencies

and government contractors from adverse personnel actions in retaliation for disclosing information

in a sworn complaint alleging certain types of improper activities. Since then, the Legislature has

revised this law to afford greater protection to these employees.

31

While this language is contained within the Code of Ethics, the Commission has no jurisdiction or authority to proceed against persons who violate this Act. Therefore, a person who has disclosed information alleging improper conduct governed by this law and who may suffer adverse consequences as a result should contact one or more of the following: the Office of the Chief Inspector General in the Executive Office of the Governor; the Department of Legal Affairs; the Florida Commission on Human Relations; or a private attorney. [Sec. 112.3187 - 112.31895, Fla. Stat.]

X. ADDITIONAL INFORMATION

As mentioned above, we suggest that you review the language used in each law for a more detailed understanding of Florida's ethics laws. The "Sunshine Amendment" is Article II, Section 8, of the Florida Constitution. The Code of Ethics for Public Officers and Employees is contained in Part III of Chapter 112, Florida Statutes.

Additional information about the Commission's functions and interpretations of these laws may be found in Chapter 34 of the Florida Administrative Code, where the Commission's rules are published, and in The Florida Administrative Law Reports, which until 2005 published many of the Commission's final orders. The Commission's rules, orders, and opinions also are available at www.ethics.state.fl.us.

If you are a public officer or employee concerned about your obligations under these laws, the staff of the Commission will be happy to respond to oral and written inquiries by providing information about the law, the Commission's interpretations of the law, and the Commission's procedures.

XI. TRAINING

Constitutional officers, elected municipal officers, and commissioners of community redevelopment agencies (CRAs) are required to receive a total of four hours training, per calendar year, in the area of ethics, public records, and open meetings. The Commission on Ethics does not

track compliance or certify providers. Officials indicate their compliance with the training requirement when they file their annual Form 1 or Form 6.

Visit the training page on the Commission's website for up-to-date rules, opinions, audio/video training, and opportunities for live training conducted by Commission staff.

Summary of Bond Document Representations and Related Conclusions

Representations

- The Bond Documents state the following:
 - o The Bonds were issued on May 25, 2005.
 - o The Bonds were retired on August 19, 2022.
 - o The Reserve Fund is "reasonably required" in accordance with the Code.
 - The temporary period for the Acquisition and Construction Fund is three years.
 - The Debt Service Funds are expected to meet the requirements of a Bona Fide Debt Service Fund.
 - On April 1, 2015, the Bonds were exchanged for the Series 2015 (2005A Project) Bonds and the Unexchanged Bonds.
 - o The Arbitrage Yield is 6.169900%.
 - The Bonds were issued for the purpose of providing funds to finance the cost of acquisition, construction, installation and equipping of various public infrastructure, more particularly including public roads, stormwater management facilities, water and wastewater facilities and landscaping and signage associated with the public roadway improvements; to retire on the Issue Date all of the Refunded Bonds; fund the Reserve Fund in amounts equal to the Reserve Fund Requirement; to capitalize a portion of the interest to accrue on the Bonds; and pay certain costs associated with the issuance of the Bonds.

Related Conclusions

- We have concluded the following:
 - The Bonds are subject to the 1993 Regulations. New regulations or rulings that apply to the Bonds may be enacted. If so, it should be determined that the computation of the Rebatable Arbitrage Liability complies with any applicable changes.
 - No further calculations of the Rebatable Arbitrage Liability or Yield Reduction Payment Amount are required subsequent to the Final Computation Date.
 - o The Reserve Fund may be invested at an unrestricted yield.
 - No unspent proceeds existed in the Acquisition and Construction Fund subsequent to April 26, 2007 as shown in the Prior Analyst's Report (as hereinafter defined); therefore no yield reduction payments will be required for the Yield Restricted Period.
 - o The Debt Service Funds have been appropriately excluded from the Rebatable Arbitrage Liability computation because they met the Bona Fide Debt Service Fund exemption requirements.
 - Certain proceeds of the Bonds were transferred to the Series 2015 (2005A Project) Bonds upon issuance of the Series 2015 (2005A Project) Bonds as described fully in the Information Memorandum.

Assumptions

- Certain Bond documents, financial records and other materials relevant to the
 computation of the Rebatable Arbitrage Liability have been provided to us by
 various parties. Nothing has come to our attention to lead us to conclude that
 any of the information provided includes errors or omissions; therefore we have
 assumed that all information included in the materials provided to us is accurate
 and complete.
- We have assumed that all transaction activity provided to us is includable in the computation of the Rebatable Arbitrage Liability under the Code.
- We have assumed the financial schedules and information provided with respect to the proceeds is accurate in all respects, including dates and amounts of the cash flow transactions. We further assumed that a current cash outlay occurred

no later than 5 banking days after the date on which the allocation of gross proceeds to an expenditure was made.

• We have relied on the report prepared by Deloitte Tax LLP with respect to the Rebatable Arbitrage Liability as of April 30, 2010 (the "Prior Analyst's Report").

Conclusions

Arbitrage Yield/Investment Yield Comparison

The Arbitrage Yield is stated in the Bond Documents to be 6.169900%. The Bond Documents further state that the computation of the Arbitrage Yield is based on a year of 360 days comprised of twelve 30-day months with interest compounding semi-annually.

The yield on the U.S. Bank Money Market Obligations (the "Treasury Yield") is calculated to be 0.350258% as shown on Schedule A. The Treasury Yield is based on a year of 360 days comprised of twelve 30-day months with interest compounding semi-annually.

Rebatable Arbitrage Liability Expectation

The Treasury Yield on the Gross Proceeds that are subject to the Rebatable Arbitrage Liability computation was less than the Arbitrage Yield during the Current Computation Period, as shown above. This results in an expectation of negative Rebatable Arbitrage Liability with respect to those Gross Proceeds as shown on Schedule A. The results are in accordance with expectations.

Rebatable Arbitrage Liability

The Rebatable Arbitrage Liability computation results in a Cumulative Rebatable Arbitrage Liability in the negative amount of \$(1,330,357.22). Therefore no payment is due as of the Final Computation Date.

Record Keeping Requirements

Records evidencing the transaction data used to calculate arbitrage rebate and yield restriction amounts must be maintained until three years after the last outstanding bond of the issue is redeemed. This report, and documentation we maintain in our files, cannot be relied upon to meet the record retention requirement.

Summary of Bond Document Representations and Related Conclusions

Representations

- The Bond Documents state the following:
 - o The Bonds were issued on June 25, 2007.
 - o The Bonds were retired on August 17, 2022.
 - o The Reserve Fund is "reasonably required" in accordance with the Code.
 - The temporary period for the Acquisition & Construction Fund is three years.
 - The Debt Service Funds are expected to meet the requirements of a Bona Fide Debt Service Fund.
 - On April 1, 2015, the Bonds were exchanged for the Series 2015 (2007A Project) Bonds and the Unexchanged Bonds.
 - o The Arbitrage Yield is 6.022600%.
 - o The Bonds were issued for the purpose of financing the cost of acquisition, construction, installation, and equipping of various public infrastructure and related improvements; funding the Reserve Fund in amounts which equal the reserve requirement; paying the interest accruing on the Bonds through November 1, 2008; and paying certain costs associated with the issuance of the Bonds.

Related Conclusions

- We have concluded the following:
 - The Bonds are subject to the 1993 Regulations. New regulations or rulings that apply to the Bonds may be enacted. If so, it should be determined that the computation of the Rebatable Arbitrage Liability complies with any applicable changes.
 - No further calculations of the Rebatable Arbitrage Liability or Yield Reduction Payment Amount are required subsequent to the Final Computation Date.
 - The Reserve Fund may be invested at an unrestricted yield.
 - We have determined the Acquisition & Construction Fund met the yield restriction requirements from June 25, 2010 through April 1, 2015, the last date on which proceeds existed in this Fund; therefore no yield reduction payments are required as of the Final Computation Date.
 - The Debt Service Funds have been appropriately excluded from the Rebatable Arbitrage Liability computation because they met the Bona Fide Debt Service Fund exemption requirements.
 - Certain proceeds of the Bonds were transferred to the Series 2015 (2007A Project) Bonds upon issuance of the Series 2015 (2007A Project) Bonds as described fully in the Information Memorandum.

Assumptions

- Certain Bond documents, financial records and other materials relevant to the
 computation of the Rebatable Arbitrage Liability have been provided to us by
 various parties. Nothing has come to our attention to lead us to conclude that
 any of the information provided includes errors or omissions; therefore we have
 assumed that all information included in the materials provided to us is accurate
 and complete.
- We have assumed that all transaction activity provided to us is includable in the computation of the Rebatable Arbitrage Liability under the Code.
- We have assumed the financial schedules and information provided with respect to the proceeds is accurate in all respects, including dates and amounts of the cash flow transactions. We further assumed that a current cash outlay occurred

no later than 5 banking days after the date on which the allocation of gross proceeds to an expenditure was made.

• We have relied on the report prepared by Deloitte Tax LLP with respect to the Rebatable Arbitrage Liability as of June 24, 2010.

Conclusions

Arbitrage Yield/Investment Yield Comparison

The Arbitrage Yield is stated in the Bond Documents to be 6.022600%. The Bond Documents further state that the computation of the Arbitrage Yield is based on a year of 360 days comprised of twelve 30-day months with interest compounding semi-annually.

The yield on the U.S. Bank Money Market Obligations (the "Treasury Yield") is calculated to be 0.487567% as shown on Schedule A. The Treasury Yield is based on a year of 360 days comprised of twelve 30-day months with interest compounding semi-annually.

Rebatable Arbitrage Liability Expectation

The Treasury Yield on the Gross Proceeds that are subject to the Rebatable Arbitrage Liability computation was less than the Arbitrage Yield during the Current Computation Period, as shown above. This results in an expectation of negative Rebatable Arbitrage Liability with respect to those Gross Proceeds as shown on Schedule A. The results are in accordance with expectations.

Rebatable Arbitrage Liability

The Rebatable Arbitrage Liability computation results in a Cumulative Rebatable Arbitrage Liability in the negative amount of \$(4,779,630.68). Therefore no payment is due as of the Final Computation Date.

Record Keeping Requirements

Records evidencing the transaction data used to calculate arbitrage rebate and yield restriction amounts must be maintained until three years after the last outstanding bond of the issue is redeemed. This report, and documentation we maintain in our files, cannot be relied upon to meet the record retention requirement.
